SHRI SURESH KALMADI: It went down.

SHRIMATI CHANDRIKA ABHINANDAN JAIN: Suresh Kalmadiji is also endorsing my views that it went down. For this particular scheme, where we are spotting the talents all over the country, only Rs. 4.5 crores are reserved for talent scouting activities. Sir, I would request both these Ministers, through you, that they must try to augment our budget for sports in general, not necessarily for this particular scheme.

Sir, I would like to cite the example of Miss Charushila Naigaonkar. She is a marathon runner. She belongs to Nagpur. She runs bare-footed. She doesn't have shoes to take part in the marathon event. What about these types of sportsmen and sportswomen who cannot even afford shoes? Would you like to come up with a scheme to provide basic facilities to the sports people who have reached national and international levels? They do not have proper facilities to train themselves. Are you going to come up with a scheme, particularly for women, where you will provide these facilities to them?

SHRI MUKUL WASNIK: Sir, first of all.....

MR. CHAIRMAN: Question Hour is over.
